

## CFD 1-110 Pro / CFD 1-110 Com

The CFD 1-110 Pro is a 1" entry throat, consistent "Q" horn with a functional frequency response of 1kHz to 16kHz. It has a particularly smooth frequency response across its coverage pattern, which makes this horn an excellent choice for high quality reproduction in critical monitoring situations, or in high level foreground or small and medium club PA systems. Also available in a commercial model for low SPL applications.
